

A black and white photograph of a bride and groom. The bride, on the left, has long, wavy blonde hair and is wearing a tiara and a necklace. She is smiling and looking up at the groom. The groom, on the right, is wearing a dark pinstriped suit and a white shirt with a bow tie. He is leaning in towards the bride. The background is slightly out of focus, showing architectural details.

*The heroes of the story:
the happy couple.
Some day they will see in this album
how they once were, and they will
remember all they thought and felt.
And looking through these pages
probably their hands
still will come together once more.
I think it's right to remember
the poet Voharer's verses.*

*That day we told each other
such nice things that the flowers
drew close to us
to hear them...*

*Best wishes once more
Hoping this album
will accompany you
through your life
as a testimony
that happiness really exists.
And that every day,
in every way,
with love, tolerance,
enthusiasm and tenderness
it is possible
to repeat symbolically
that precious
Promise*
